

Ohio School Report Cards

2021 - 2022 Report Card for Shenandoah Elementary School

The Ohio School Report Cards include performance information provided by schools and districts including academic, financial, and opportunity to learn data. Some of this data is then combined into six components that receive star ratings to indicate the level of performance for the school and district.

Achievement

This component represents whether student performance on state tests met established thresholds and how well students performed on tests overall.

Meets state standards in academic achievement.

Performance Index

78.3%

Graduation

The Graduation Component is a measure of the four-year adjusted cohort graduation rate and the five-year adjusted cohort graduation rate.

Graduation Rates

This school is not evaluated for graduation rate because there are not enough students in the graduating class.

Progress

This component looks closely at the growth all students are making based on their past performances.

Significant evidence that the school fell short of student growth expectations.

Overall

Early Literacy

This component looks at how successful schools are at improving reading for at-risk students in grades K-3.

Meets state standards in early literacy (K-3).
